

GOAT 2P

ELECTRIC GOLF CART

The ultimate electric offroad golf cart designed for a smooth, stylish, and eco-friendly ride! It is a perfect fit for those seeking an easy-to-use, eco-friendly ride.

KEY FEATURES

Innovative Yoke Steering Wheel

The GOAT 2P features Kandi's yoke steering wheel, providing a ergonomic and intuitive driving experience. Unlike traditional round steering wheels, the yoke design improves handling precision and gives users a more sporty feeling while driving their favorite golf cart.

Stylish and Customizable Design

Complementing the sleek exterior, the interior seating features a luxurious brown finish, adding a touch of sophistication and comfort to your ride.

Powerful and Efficient Electric Motor

Equipped with a high-performance 5,000-watt AC electric motor, the GOAT 2P Golf Cart is engineered for both power and efficiency. Whether you're navigating the smooth paths of a golf course or tackling more challenging terrains, this motor ensures optimal performance.
