AGM BATTERY

ELECTRIC GOLF CART

Designed with the riders in mind, providing a smooth, quiet, and eco-friendly ride anywhere you go.

KEY FEATURES

Extra Long-Lasting Battery

Our golf carts come with a 48V battery consisting of 6 8V batteries deep cycle batteries. This provides a driving range of up to 40 miles on a single charge, making it perfect for those long days on the course.

Smooth Ride Guaranteed Suspension

Our carts come with an independent MacPherson strut suspension in the front and a swing arm straight axle in the rear, providing a smooth and comfortable ride. This feature ensures that you stay comfortable on any terrain, including bumpy or uneven surfaces.
