MINI GOLF CART

COLLAPSIBLE MINI GOLF CART

Designed for easy transport, this collapsible golf cart is ideal for camping, tailgating, neighborhood commutes, and weekend off-road adventures. With a push of a button, the frame folds down quickly, making it the ultimate small electric golf cart for riders who need both performance and portability.

KEY FEATURES

Collapsible Design

Effortlessly foldable with a flip of a switch, this space-saving cart collapses to just 66 inches long, making storage and transportation a breeze. Perfect for golf courses, trails, or tight spaces.

Electric Power & Lithium Battery

A silent, eco-friendly 1,000-watt AC motor pairs with a 48V 38Ah lithium battery for extended adventures—enjoy up to 25 miles of range on a single charge.

Compact Dimensions

At 95.8 inches long (66 inches collapsed) and 35.5 inches wide, maneuverability is seamless—ideal for navigating narrow trails or crowded areas.
