

TRAIL KING

e1500

ELECTRIC DIRT BIKE

This eco-friendly, noise-free marvel is engineered for adventure on any terrain, offering unbridled speed and acceleration in a sleek, modern design. Whether you're searching for an electric mini bike for sale or a fat tire mini bike, the Trail King e1500 is your answer.

KEY FEATURES

Exceptional Performance

A powerful 60V Brushless Electric Hub Motor with a rated power of 1,500 watts, ensuring you experience unmatched speed and acceleration.

Off-Road Ready

Conquer various terrains with confidence, thanks to the dual hydraulic forks in the front suspension and dual spring coilovers in the rear.

Responsive Braking

Disc brakes on both the front and rear wheels provide responsive stopping power, enhancing safety during your rides.

Easy Charging

The 60V 2.5 Ah charging port allows for convenient recharging, and the air cooling system ensures efficient heat dissipation.

Long-lasting Lithium Battery

Equipped with a high-capacity 60V, 25 Ah lithium battery, offering extended rides on a single charge, perfect for all-day adventures.

Age-Friendly

Suitable for riders aged 16 years and older, this bike offers thrills for both adults and young enthusiasts.
