

ELECTRIC GO-KART

# CYBER 1000

## SPECIFICATIONS

### ENGINE

|                              |                    |
|------------------------------|--------------------|
| RATED VOLTAGE                | 48V                |
| OUTPUT POWER                 | 1,000 WATTS        |
| RATED SPEED (r/min)          | 3,300              |
| RATED CURRENT (A)            | 21                 |
| TOP SPEED                    | 15 MPH             |
| ESTIMATED MAX. DRIVING RANGE | 15 MPH             |
| COOLING                      | AIR                |
| BATTERY PACK                 | 48V 30Ah           |
| CHARGER                      | 48V 5A             |
| DC-DC                        | 36-72V / 12V / 20A |
| CONTROLLER                   | 30 tubes 48V       |
| MOTOR MODEL                  | GWZ-1000W          |

### DIMENSIONS

|                       |            |
|-----------------------|------------|
| OVERALL LENGTH        | 72 INCH    |
| OVERALL WIDTH         | 51 INCH    |
| OVERALL HEIGHT        | 52 INCH    |
| MIN. GROUND CLEARANCE | 5.3 INCH   |
| WHEELBASE             | 48 INCH    |
| TRACK WIDTH           | 45/37 INCH |
| GROSS WEIGHT          | 342 LBS    |
| VEHICLE CURB WEIGHT   | 264 LBS    |
| RATED LOAD CAPACITY   | 352 LBS    |

### BRAKE

|             |      |
|-------------|------|
| FRONT BRAKE | N/A  |
| REAR BRAKE  | DISC |

### OTHERS

|                                |                                 |
|--------------------------------|---------------------------------|
| COLORS                         | SILVER                          |
| TIRE SPECIFICATIONS (FRONT)    | 16x8-7                          |
| TIRE SPECIFICATIONS (REAR)     | 18X9.5-8                        |
| TIRE PRESSURE (FRONT/REAR) kPA | 10P.S.I / 10P.S.I               |
| TRANSMISSION SPEED RATIO       | 10:1                            |
| HUB TYPE (FRONT/REAR)          | IRON WHEEL HUB / IRON WHEEL HUB |
| WARRANTY                       | 1 YEAR FACTORY WARRANTY         |
